

Delivery terms and processing rules of refrigerant cylinders for prepayment customers

1. Invoicing

Refrigerant cylinders are property of prepaid customers, ie they are invoiced at the ordering stage. If the customer decides to return the cylinder, she/he will be refunded the cylinder deposit under the terms provided below.

2. Cylinder return

Empty refrigerant cylinders can be returned to Darment's warehouse in Helsinki. The carriage of empty cylinders shall be paid by the customer.

Return address: Darment Oy, Harkkoraudentie 7, 00700 Helsinki, Finland

3. Return time of 12 months

If the bottle is returned within 6 months or if the EU-tank is returned within 3 months from the date of delivery, we will make a 100% credit note that can be used freely for any new purchase from Darment. If the cylinder is returned within 12 months from the date of delivery, the credit note is 80%. If the EU-tank is returned less than 12 months from the delivery date, €15 will be deducted from the return amount for each day that exceeds 3 months. For bottles or tanks returned after more than 12 months, we do not make a refund at all, in which case the cylinder is permanently the property of the customer.
